Introduction

Finding high quality preggio sites is hard to do, especially a solo girl site... because she can't stay pregnant forever. Still, in the small amount of content that Talia from Lactalia provides, there are some quality videos and pics worth watching. The site updates every week or two (mostly with new pictures) but also includes several other sites in the network which offsets the small size of video archives.

Review Rating

The Tongue says 'A preggio site that features lots of great picture content and some videos'
