MidNight Prowl

Introduction

Simple ideas often require superior execution to be truly effective. Midnight Prowl gets world class starlets in public places and lets real *Ordinary Joes* each take turns using her holes for their own enjoyment. Midnight Prowl is an instant classic!

Adult Review

Recently there have been a wave of new reality-based sites spawning where the camera crew fakes a public setting and pretends to have an amateur guy join the starlet on the set... Midnight Prowl leaves all the "fakery" to those idiots and comes at you with the real deal.

In one well-filmed scene after another, the Midnight Prowl crew takes a headlining starlet out of the studio and into the real world. In the back of a limo, in the middle of an adult video store showroom and in many other locations they invite real guys to tap the fine ass of some of the world's sexiest vixens.

These sexy whores are on their own Midnight Prowl and to them it doesn't matter what the guys looks like, what they do for a living... hell, these sluts will fuck almost anyone. Actually, TheTongue can't think of anyone they wouldn't fuck!

The contrast of these million dollar pussies joyfully riding minimum-wage cocks is well worth the price of admission by itself but take a look at the long list of Included Sites on the right side of this review. You get full access to every single one of them included with this membership and the guys at Meatmembers are adding new sites and new content every single day of the week.

Each of the 202 movie updates is available in broadband enhanced or dialup friendly formats. The highest resolution videos are in 512x288 and all scenes come along with slide-show worthy picture sets as well. The site continues to update weekly and the rest of the network updates at least once a day... and sometimes more.

Please be aware that when you signup that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

This network is one of the best offers the the adult industry has going. If you have never been a Meatmember before then you are in for a hell of a treat, if you have already been a Meatmeber in the past then you probably still are one because they have the kind of content that will keep your cock happy for many months to come.
