### Introduction

The beautiful, raven-haired Miss Mina lays claim to 60" of a fat bubble ass. She's been a cover girl for Big Butt Magazine, was interviewed in the summer of 2008 for Hustler magazine, and you can gain entry to her fat, shaved, juicy holes at Miss Mina BBW

### Adult Review

Miss Mina BBW and her legendary monster booty go all out to bring you unlimited downloads of over 25,000 photos and 1700+ video clips. This 280 pound amateur/solo-porn beauty rolls out exclusive content with updates being posted twice weekly. (Note: The Tongue noticed a slight drop-off in updates in the past few months of summer 2008, but with an exclusive line of molded pussy and ass toys coming out, we can forgive!)

It goes without saying that her massive ass gets a lot of play - slapping, dildo fucking, and a number of videos that show that this classy broad is also pretty gassy. But she knows how to work over her juicy pussy, and she eagerly takes on gigantic dildos that leave smaller sluts crying. Miss Mina doesn't shy away from anything - she goes oral, gets dressed up, takes it off, takes it up the ass - and she manages to make you feel like you're right there with her.

Miss Mina lends an intimacy to her site that is hard to find elsewhere - membership to Miss Mina BBW gives you access to Miss Mina herself - from being able to make video or pic requests, to talking to her on the phone and ordering private cam shows. She even gives you access to her personal email and snail mail addresses, and her video blog updates, chat, and members-only cam shows are pretty personal.

Miss Mina BBW offers exclusive content with no DRM, so anything your fat-loving dick gets hard over is yours to keep. It's optimized for dial-up and we had no problems downloading or streaming anything from this easy-to-use site. Miss Mina BBW offers links to other cams, chats & sites, but - and this is a big butt - she's got so much material of her own overstuffed and overflowing from the site that you'll want to stick around just for her.

### Porn Summary

BBW booty in all its glory is what you get when you sign up with Miss Mina BBW. She's 10 pounds of potatoes stuffed into a 5 pound sack, and she'll keep you hungry for more with her frequent updates and smorgasbord of material.
