### Introduction

The Dick Suckers are a group of amateur girls who want to become pornstars. Showing up at a hardcore studio and asking to be used in a xxx movie requires an audition and these are the cocksucking porn videos filmed when real pornstar wannabees open wide and take dick inside their mouths and throats for the first time on camera. A few have gone on to become famous, but many of the throat sluts featured on The Dick Suckers are one-time video vixens never seen again in porn anywhere else. That kind of exclusivity really makes this a pornsite worth checking out.
